

CLINICAL LAB DAY 2024

Friday, October 18, 2024

8:30 am to 4:00 pm

NC Rural Economic Development Center
4021 Carya Drive Raleigh, NC 27610

Coming Together, Serving as One

Join us for the 16th Annual Clinical Lab Day which will highlight the many collaborations that are key for disease monitoring and response in North Carolina and beyond. This event is designed for health care professionals involved in the diagnosis, care, and management of patients; including physicians, clinical laboratory scientists, nurses, disease intervention personnel, educators, students, and anyone responsible for or interested in the testing and care of patients.

Register Online Today !
